"Summer Math Camp"

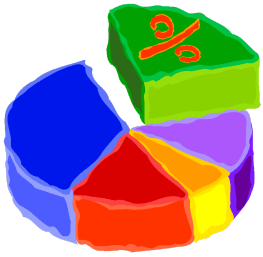
Is your child looking for a **challenge**? Do you want them to stay sharp over the summer with their math? Then the Summer Math Camp may be right for you and your child. Math Camp will touch on all 5 math standards; Operations and Algebraic Thinking, Number and Operations in Base Ten, Number and Operations-Fractions, Measurement and Data, and Geometry. Each week will feature developmentally appropriate activities that are exciting and engaging; children will have so much fun, they won't realize they are learning! The Math Camp will touch on topics that are at current grade level and beyond in a small group setting. Individual sessions can be scheduled by request Tuesday through Thursday.

The **"Loveland Summer Math Camp"** is being offered this summer by Mr. Kevin Rodriguez—4th grade teacher with MEd in Elementary Mathematics.

Sponsored by LEPTA

For Children going into 3rd Grade
Each session will meet for 1 hr and 15 minutes once per week
Camp dates are June 7th, 14th, 28th July 5th, 12th and 19th
Choose from 9:00 or 10:30 am class
Hurry. Sign up. Space is limited!
https://www.lovelandelementarypta.org/classes-camps/

You do not have to be at every class. If vacation or other camps get in the way you can come to as many days as you are able to.

Cost: The cost for all 6 classes is $150. If you can't make all six classes then each class is $25. Money must be paid up front for the number of classes you plan to attend. Individual sessions would be $50 for 1 hour.


Contact info: Please contact Kevin Rodriguez by email rodrigke@lovelandschools.org for more information about specific times and to sign up.
