

LEPTA Summer Reading Camp

Do you want your child to **continue reading** all summer? Do they love reading? Or, do they need some motivation to read during the summer? Then Summer Reading Camp might be right for you and your child. Reading Camp will touch on fluency, word work, vocabulary, and comprehension in a book club format. Each week will feature developmentally appropriate activities that are exciting and engaging; children will have so much fun they will not realize they are learning.

The Loveland Summer Reading Camp is being offered this summer by Carol Huxhold, 3rd & 4th grade Reading Specialist with MEd in Special Education and K-6 Reading Endorsement

Sponsored by LEPTA

You do not have to be at every class. If vacation or other camps conflict you can come to as many as you are able to.

Cost: The cost for all six classes is \$180. If you can't make all six classes then each class is \$30. Money must be paid up front for the number of classes you plan to attend. Students will need to purchase or borrow from the library a copy of the book they choose to read.

Contact Info: Please contact [Carol Huxhold](mailto:Carol.Huxhold@lovelandschools.org) by email huxholca@lovelandschools.org for specific questions.
